The 5th edition of IEEE Advances in Magnetism (AIM2025) will be held in Bressanone, in a setting of historic South Tyrolean buildings and beautiful Alpine peaks.

Bressanone can be easily reached via the Brenner railway and motorway from many airports, such as Verona, Innsbruck, Milan and others.

AIM2025 will be a forum for presentation and discussion of the most recent advancements in all the fields of magnetism, involving theory, numerical modeling, experiments and applications.

Check the numerous topics of the conference and the invited speakers on the website!

Submit your abstract by July 31st, 2024!

We look forward to meeting you in Bressanone!
